

GEARS OF ADVENTURE

For use in any roleplaying game system. Roll two six-sided dice to select from the following tables in the sequence provided, to generate a location and scenario, as well as a non-player character or legend which you will encounter (and the plot twist). For rolls of double one's, choose from either 1 or 11.

You are arriving in...		... where the situation seems to involve...		... and you meet...		... who is seeking...	... but there will be...
